**Merry Christmas from St John's!**

Last year, the snow and the cold blanketed us in a winter setting.

This year, who knows?

We do know that when the doors are opened, the church will welcome one and all to a celebration of Jesus' birth. We hope you are there to join us at either 4 pm or 10:30 pm. If you are traveling, Godspeed in your travels, and for all those coming together with family and friends, may Christ be born anew among you. For those who will keep Christmas in a quieter fashion, may Christ be born for you as well. And from everyone at St John's, blessings and peace this Christmas season and throughout the year!

Fr David
