

St. John the Baptist Episcopal Church
Annual Meeting Minutes
November 4, 2018

35 parishioners were in attendance. This number includes 4 children.

Please note: These minutes are meant to cover items that are in addition to the Annual Meeting Reports

1. Vickie Richmond Hawkins led us in an opening prayer.
2. Tom Gallant, seconded by Patti Schaal made a motion to elect the three nominated delegates to the 2019 Annual Convention. Those delegates are Lisa Alexander, Ron Alexander and Dixie Terrell Wilhite. Motion voted on and passed.
3. The St. John's Cross for 2018 was awarded to our building and grounds committee. This committee consists of Tom Gallant, Steve Miller and Tyler McCormick.
4. Steve Miller, the Junior Warden, presented the building and grounds report. Steve noted that T&T Enterprises will be providing snow and ice removal this winter. Steve also reported that an anonymous donation of \$5000 has been given toward the bat and mice abatement.
5. Dixie Terrell Wilhite presented the Financial Report. Vickie noted that Mother Ezgi might be providing us with additional hours. Ron Alexander asked if the cost of this additional time would be coming out of the endowment fund. Vickie explained that we do not foresee that being necessary.
6. Vickie noted that volunteers are needed for the upcoming year's Courtyard and Garden committee.
7. Lisa Alexander reported that the four representatives from our companion diocese in Zimbabwe were unable to visit through no fault of their own. They are working on selecting another date for their visit, possibly in June of 2019.
8. Steve led us in a closing prayer.
9. The meeting closed with a round of applause in gratitude for the Senior Warden, Vickie Richmond Hawkins, and the Junior Warden, Steve Miller, for their contributions during this time of transition.

Respectfully submitted by Patti Schaal
